The authority for collecting the requested information from and about you is part D of the Individuals with Disabilities Education Act, as amended by the Individuals with Disabilities Education Improvement Act of 2004. We request your scholar educational information pertinent to the OSEP scholarship grant received whether provided by the scholar, grantee, or other entity, including personally identifiable information (PII), under this authority in order to accurately track your records and to differentiate your financial obligation from other scholars who may have the same name as you. You are advised that your participation in the Office of Special Education (OSEP) Personnel Development Program (PDP) is voluntary and that giving us your student educational information is voluntary, but you must provide the requested information, including your PII, to participate. The information will be used to ensure that recipients of scholarships provided with funds under part D of the IDEA meet specific statutory and regulatory requirements, including service obligation fulfillment or repayment of your financial obligation.

The information in your records may be disclosed to third parties as authorized under routine uses in the appropriate systems of records, either on a case-by-case basis, or, if the Department has complied with the computer matching requirements of the Privacy Act, under a computer matching agreement.

The routine uses of this information include sending the information, in the event of litigation, to the Department of Justice (DOJ), a court, adjudicative body, counsel, party, or witness if the disclosure is relevant and necessary to the litigation. If this information, either alone or with other information, indicates a potential violation of law, we may send it to the appropriate authority for action. We may also send this information to law enforcement agencies if the information is relevant to any enforcement, regulatory, investigative, or prosecutorial responsibility within the receiving entity's jurisdiction. We may send information to the Department of Treasury and to credit agencies to verify the identity and location of the debtor and to the Department of Treasury, collection agencies, and employers of the scholarship recipient in order to service or collect on the debt. We may send information to members of Congress if you ask them to help you with questions related to this Program. In circumstances involving employment complaints, grievances, or disciplinary actions, we may disclose relevant records to adjudicate or investigate the issues. If provided for by a collective bargaining

agreement, we may disclose records to a labor organization recognized under 5 U.S.C. Chapter 71. If necessary for the Department to obtain advice from the DOJ, we can disclose information to the DOJ. We may disclose information to the DOJ or the Office of Management and Budget (OMB) to help us determine whether the Freedom of Information Act requires the disclosure of particular records. We can disclose records to contractors if we contract with an entity to perform functions that require the disclosure of the records. Disclosures may also be made to qualified researchers under Privacy Act safeguards. Finally, disclosures may be made to OMB as necessary under the requirements of the Credit Reform Act.

Upon completion or exit from grant-supported training, the grantee will require each scholar to use the OMB-approved Exit Certification in which the scholar agrees to the terms and conditions set forth in the regulations published on June 5, 2006 implementing section 662(h) of IDEA (see 34 CFR part 304), including the requirement that the Secretary track the service obligations of scholarship recipients. The regulations and Frequently Asked Questions (FAQs) are available at <https://pdp.ed.gov/OSEP/Home/Regulation> and <https://pdp.ed.gov/OSEP/Home/fag/>.

The U.S. Department of Education has contracted to establish the Personnel Development Program Data Collection System (PDPDCS). One of the PDPDCS's primary functions is to track the service obligations of scholars funded by PDP grants awarded in Federal fiscal year 2005 and any year thereafter. The PDPDCS's address is:

OSEP PDP Data Collection System
1600 Research Blvd, RB 2268

Service Obligation Information and Exit Certification

Below you must enter the service obligation details for the scholar. This information is critical to tracking service obligation fulfillment. Note that after the completion of at least one academic year of training, a scholar may begin to fulfill his or her service obligation according to the 2006 Regulations 34 CFR §304.30(f)(2). An academic year is defined by the program regulations as "(1) A full-time course of study- (i) Taken for a period totaling at least nine months; or (ii) Taken for the equivalent of at least two semesters, two trimesters, or three quarters; or (2) For a part-time scholar, the accumulation of periods of part-time courses of study that is equivalent to an 'academic year' under paragraph (a) (1) of this definition." 2006 Regulations 34 CFR §304.30(a)(1) and (2).

According to 34 CFR §304.30 (a) and (b), the Secretary may grant a deferral or an exception to the work or repayment requirements upon request, if a scholar can provide sufficient evidence to substantiate eligibility.

Scholars who exit a training program prior to completion and have not finished at least one academic year of training will be referred for repayment to the Accounts Receivable and Bank Management Group (ARBMG) of the U.S. Department of Education. Scholars will not receive credit for any employment positions held prior to the date of completion of one academic year. However, if a scholar completes a training program that is less than one academic year in duration, she/he may repay through service. See 2006 Regulations 34 CFR §304.30 (f)(2) and (j)(4)(iii).

This information must match what is reported by the grantee in Sections I and G of the scholar's record in the Data Collection System (PDPDCS).
